Covid 19 opening changes

Please remain in your car upon arriving. You will be called when to enter.

Everyone must wear a mask entering and leaving the building

Temperatures will be taken each day upon arrival

Temperatures 37.8 and higher will not be allowed to swim that day

We will be providing private and semi-private lessons only

Clients must supply their own water wings/puddle jumper/ goggles

Aqua-fit must supply their own noodles and bar bells

Younger children are to bring their own bathtub toy

Every client must shower with warm water and soap before entering the pool

Children must be accompanied by an adult or care giver

Suggesting with the season you arrive in your suit.

Please be respectful of distance, arrows, and your escort in

Lessons must be prepaid

Thank you for your patience as we do our best to re-open ensuring the safety of staff and clients as humanly possible.

Water wings, noodles, barbells, goggles will be available for purchase

We will be contacting all swimmers that were enrolled prior to the shutdown

Aqua-fit clients must pre-register and reminder max. 8 per class

With non swimmers an adult or care giver must accompany swimmer in the water as instructors while teaching must maintain 6ft. distance

Thanks for swimming with us!

Look forward to seeing you soon!

Stay well, stay strong, and rock on!

We will be setting up a team of instructors for backyard lessons and hopefully the Coldwater swim program
